

# PRAY FOR EAST ASIA

---

## **Belgium / 20 October 2020**

Pray for Katrien & Jesse, a Belgian Dutch couple who have started at Bible college in the UK as OMF Belgium/Netherlands candidates. Pray for them as they settle into life in the UK. Pray that the [OMF Belgium](#) team would be able to mobilize Belgian believers to support this couple.

---

## **Belgium / 13 October 2020**

[OMF Belgium](#) has started a youth volunteer group called OMF BE Creative Space composed of five young people who want to invest one hour a week for OMF Belgium. It is an exciting initiative, where the young people get freedom to experiment with the vision of OMF Belgium; pray for this group as it is still in the early stages of forming.

---

## **Belgium / 16 November 2019**

Pray for a theology student from Belgium who will go to Thailand for an apprenticeship with OMF in the spring. Ask God to provide all she needs and for her to be prepared spiritually, mentally, and physically for her time in East Asia.

---

## **Belgium / 13 November 2019**

Thank God for a good conversation and renewal of OMF Belgium's partnership with the Evangelical Youth Alliance there. Pray for more candidates from Belgium to participate in Serve Asia At this time, there is only one Belgian [Serve Asia](#) candidate for the spring.

---

## **Belgium / 10 November 2019**

OMF Belgium is currently working on a 2020 vision document, with the tagline tagline, "Who do you bless?" based on Psalm 67. It sometimes can be difficult to mobilize churches and Christians for East Asia because they first need to be mobilized for the Great Commission in general. Pray for wisdom as the OMF Belgium team explores how it can support the Belgian church in this general endeavor, without losing its specific calling and focus on East Asia.

---

## **Belgium / 07 November 2019**

Recently [OMF Belgium](#) facilitated a platform for mission agencies in Flanders, Belgium, including organizations working inside and outside of Belgium, but all based in Belgium. Some long term goals for this platform were established. The platform is now going through the approval process from the various organizations' boards. Pray for God's wisdom in this process.

---

## **Belgium / 04 November 2019**

During one of these upcoming missions conferences, OMF Belgium is organizing a Great Commission-focused workshop for youth. Pray that this workshop will create a passion for missions in the youth's hearts.

# PRAY FOR EAST ASIA

---

## **Belgium / 01 November 2019**

In the next few weeks, [OMF Belgium](#) will have two promotional stands (which will include a mini-escape room!) at two major Christian conferences in Belgium. Pray for engaging conversations about the Great Commission and for God to raise up many new contacts interested in missions and OMF's work.

---

## **Belgium / 01 September 2019**

Pray for the OMF Belgium team as they continue to fine tune their vision and meet with former Serve Asia candidates and the Youth Alliance to see how to reach the youth in Belgium with the Serve Asia concept.

---

## **Belgium / 29 August 2019**

After a vision meeting earlier this year, OMF Belgium has decided to initiate a missions platform on the level of Evangelical Alliance Flanders. The idea is rather ambitious, but we believe it is necessary to put missions on the agenda of the Belgian church. Pray for wisdom in the planning of this platform and for willingness by organizations in Belgium who do missions-related work to join the platform.
