Thailand / 01 November 2021

It is time for missionaries and believers in East Asia to begin thinking about possible Christmas events and outreaches they could do in light of the pandemic. Please pray for creativity and opportunities as these events are planned.

Thailand / 29 October 2021

Many [OMF Thailand](#) workers are getting more involved in online ministry and work: teaching, discipling, preaching, sharing, meetings, interviewing etc. Please pray that these activities and ministries will bear fruit and that those leading them would be strengthened while spending so much time on screens.

Thailand / 26 October 2021

Please pray for God's guidance for an [OMF Thailand](#) worker regarding a possible opportunity to run a camp for Shan children if the pandemic situation improves.

Thailand / 23 October 2021

[Kairos](#) and [Perspectives](#) courses have been rolled out in [Thailand](#) for first time this year in online formats due to the pandemic. Pray that more people would join these courses than when held in one specific place. Praise God for this opportunity and pray for the hearts of participants to be open to more involvement in mission.
