Skylands Peoples / 13 September 2018

Thank you God for the ongoing Bible translation for several Tibetan Buddhist people groups in Bhutan. Lord, we pray that your words of life may transform lives in Bhutan.

Skylands Peoples / 13 September 2018

Lord, please help both Mongolian and Tibetan Christians be rooted in Christ with zeal to reach their own people as well as others.

Skylands Peoples / 13 September 2018

God, we remember Tibetan believers who face much misunderstanding and pressure from their families and the wider community. Please help them to lean on you as they face intense challenges.

Skylands Peoples / 13 September 2018

Lord, we pray for the young, fast-growing Mongolian church. Please bless your church with mature and selfless leaders.

Skylands Peoples / 13 September 2018

God, you see many churches and believers adjacent to the Tibetan plateau. Please give your people a heart to love, serve, and share with the Tibetan peoples.

Skylands Peoples / 13 September 2018

God, even where the church is small and struggling, we pray that these few believers would be revived and impassioned to see the gospel spread among non-believers.

Skylands Peoples / 13 September 2018

Lord, we pray for Mongolians to have the fear of the Lord, from which comes wisdom, and also hope in Christ who gives life.

PRAY FOR EAST ASIA

Skylands Peoples / 13 September 2018

Thank you God for the growing number of Chinese Christians who reach out cross-culturally. Some of these have a heart to reach the Tibetan and Mongolian peoples in China. Please bless these believers with effective partnerships so that more people can hear the good news.
